# Please follow the Thanet Coastal Codes

Local people have helped draw up voluntary codes to help safeguard coastal wildlife, while allowing people to enjoy their activities:

Respect Coastal wildlife

Consider other users

Stay safe on the beach

Be environmentally friendly

See [www.thanetcoast.org.uk](http://www.thanetcoast.org.uk) for codes on seashore, bait digging, dog walking, horse riding, field trips, shore angling, power-craft and wind-powered activities.

Tread carefully on the chalky shore - its my home!

Take photos, and not my mates home!

Avoid scaring my coastal feathered friends - they need rest at high tide!

Please take your rubbish home with you or use the bin provided!
